REV. GARY BALLINGER, PASTOR..... 224-0485

## NOTES FROM PASTOR-

THE FOLLOWING ARE A FEW THINGS FOR YOU TO THINK ABOUT-

-How do you discern the difference between an authentic call from God to get out of the boat and your own rash impulse?

-How do ordinary human beings go about discovering their calling?

-It is in the act of facing the storm that you discover what lies inside you and decide what lies before you.

-Storms have a way of teaching what nothing else can.

-Your heart is revealed and your character is forged when life does not turn out the way you planned.

-When teachers want students to grow, they don't give them answers- they give them problems.

-We are never more subject to temptation than in those times when life does not turn out the way we planned.

-What God does in us while we wait is as important as what it is we are waiting for.

-Waiting means that we give God the benefit of the doubt, that He knows what He is doing.
