## NOTES FROM PASTOR-

### DEAR GOD:

I want to thank you for what you have already done. I am not going to wait until I see results or receive rewards; I am thanking you right now. I am not going to wait until I feel better or things look better; I am thanking you right now. I am not going to wait until people say they are sorry or until they stop talking about me; I am thanking you right now.

I am not going to wait until the pain in my body disappears; I am thanking you right now. I am not going to wait until my financial situation improves; I am going to thank you right now. I am not going to wait until the children are asleep and the house is quiet; I am going to thank you right now. I am not going to wait until I get promoted at work or until I get the job; I am going to thank you right now. I am not going to wait until I understand every experience in my life that has caused me pain or grief; I am thanking you right now. I am not going to wait until the journey gets easier or the challenges are removed; I am thanking you right now.

I am thanking you because I am alive. I am thanking you because I made it through the day's difficulties. I am thanking you because I have walked around the obstacles. I am thanking you because I have the ability and the opportunity to do more and do better.

I'm thanking you because FATHER, YOU haven't given up on me.

## POINTS TO PONDER-

-A dog barks when his master is attacked. I would be a coward if I saw that God's truth is attacked and yet would remain silent. (PEARL S. BUCK)

-What is intended as a little white lie often ends up as a double feature in Technicolor.

-Don't talk unless you can improve the silence.

-If a race is neck and neck, would that mean it's a necktie?

-Are you rich? Think about it...friendships are priceless, time is invaluable, health is wealth, and love is a treasure.

-If you get to thinkin' you're a person of some influence, try orderin' somebody else's dog around.

-Words that soak into your ears are whispered...not yelled.
