NOTES FROM PASTOR-

-The Father seeks to commune with you in worship. He is not looking for your money, your glory, or your strength. He is looking for your heart. C. S. Lewis said, "It is in the process of being worshiped that God communicates His presence to men." If you are not worshiping God, but you are serving Him (or so you think), you are making a big mistake. To pray without worship is mockery. To sing without worship is sounding brass. To work without worship is an insult to God. To teach without worship is ignorance. To serve without worship is hypocrisy. To witness without worship is perjury. God wants your worship.

-In 2 Kings 5:10, we read that God chose to heal Naaman, who was a leper, in a very unique way. God told Elisha to tell Naaman to wash seven times in the Jordan and he would be healed. Why seven times? Why not eight or five times? Because the number seven is the number of perfection in the Bible. One is the number of unity. Two is the number of witness. Three is the number of deity. Four is the earth number. Six is the number of man. When God told Naaman to dip seven times, He was saying, "If you want Me to bless you, not only must you obey, you must obey perfectly." If you want God's blessing upon your life, you cannot just obey in part, you must obey perfectly. What person wants a friend who is 43% faithful? Why don't you determine today that you're going to take steps to lead a life of obedience. (LWF Ministries.)

-Have you heard about the preacher who officiated at so many shotgun weddings that he decided to rename his church Winchester Cathedral?
