NOTES FROM PASTOR-

SOMETHING TO THINK ABOUT

- The duty of the church is to comfort the disturbed and to disturb the comfortable.-Michael Ramsey
- Tomorrow's history has already been written-At the name of Jesus every knee must bow.
- There is going to be an ultimate anti-Christ, one person, able to do such wonders that he almost deceives the elect themselves.
- Eternity to the godly is a day that has no sunset; eternity to the wicked is a night that has no sunrise.-Thomas Watson
- It is better to lose count while naming your blessings than to lose your blessings to counting your troubles.
- To say that God is sovereign is to say that His power is superior to every other form of expression of power; it is to say that God is completely free of external influences so that He does what He chooses, as He chooses, when He chooses.
- Defend the Bible? I would as soon defend a lion! Unchain it and it will defend itself. -C.H. Spurgeon
- God's promises are like the stars; the darker the night, the brighter they shine- David Nicholas
- Life is like tennis, the one who serves the most seldom loses!
- Love multiplies when divided.
