POINTS TO PONDER-

-No one ever injured their eyesight by looking on the bright side of things.

-The most disappointed people in the world are those who get what's coming to them.

-Former President James A. Garfield, who was a minister before he became president, is said to have remarked: "I stepped down from being a minister to become president of the United States."

-Silence is often misinterpreted but never misquoted.

-A man worries about what the future has in store; a woman worries about what stores have in the future.

-Hallelujah to the only One who is worthy of all that we have.....of all that we are!

-History and our eternity hinge on what we believe happened two thousand years ago in an obscure stable in Bethlehem.
