NOTES FROM PASTOR-

Do you know what the average prayer request is about? Physical healing. Pray for my aunt who is a Christian and she is about to die. Pray for my saved uncle who is having heart surgery. How many prayer meetings have you been to where people asked for prayer for their lost neighbor who is going to hell?

We are, more often than not, interested in keeping the saints out of heaven, than we are in keeping the lost out of hell. It is not a tragedy to die and go to heaven. It is a tragedy to die and go to hell. Church, it's time we elevated our prayers outside of the physical realm of life into the spiritual realm.

Take a look at your prayer list – where are the lost who need to be saved? What are you going to do next year to help them find their way? Let's elevate the names on our Top Ten Most Wanted to Be Saved List up a place or two and pray that we get results.

"For the Son of man is come to seek and to save that which was lost." Luke 19:10

-An exasperated mother, whose son was always getting into mischief, finally asked him "How do you expect to get into Heaven?"
