-Johnny is a man of very few words. One Sunday he went to church, but his wife, Mary, was sick and stayed home. When he returned, she asked, "Was the sermon good?" "Yup," was Johnny's brief reply. "What was it about?" Mary asked. "Sin." "And what did the Pastor say?" "He's against it."

-The doctor was certainly right when he said jogging would add years to my life. I feel ten years older already.

-Remember, there is no way you can look as bad as that person on your driver's license.

-Don't sweat the petty things and don't pet the sweaty things.

-"Flatter me, and I may not believe you. Criticize me, and I may not like you. Ignore me, and I may not forgive you. Encourage me, and I may not forget you." - *Sir William Arthur*

-The best vitamin for a Christian is B1.

-Children seldom misquote you. In fact, they usually repeat word for word what you shouldn't have said.

-The word 'God' appears in the bible 3,358 times.

-The word 'Lord' appears in the bible 7,736 times.
