## NOTES FROM PASTOR-

A violinist stepped out onto stage one evening and drew the bow across his violin. The room fell silent as out came the most glorious music the audience had ever heard. When he finished, the crowd leaped to their feet and gave ovation after ovation. What happened next shocked everyone speechless. The violinist broke the violin on the podium into a thousand pieces. He looked at the audience and said, "Ladies and gentlemen, don't be dismayed. This was only a three and a half dollar violin. It is not so much the violin that makes the music as it is the man who draws the bow." Little is so much when God is in it. God can take a life that may be comparable to a \$3.50 violin and turn it into a masterpiece. (LWF MIN 3-22-04)
