## NOTES FROM PASTOR-

I have known the Lord Jesus Christ for many years, but I feel that I am just on the threshold of discovering Him. I want to move closer and closer to Him and learn more and more about Him. Paul said at the end of his ministry-That I may know Him (see Philippians 3:10). Did he know God? Yes, but he knew so little about Him.

Did Christopher Columbus discover America? Yes, he touched on the shores of America. But even today there are thousands of unnamed lakes, forests, and more where no one has yet completely explored. There is so much to know in Christ. You may have touched on Christ, but God's plan is that you know Him more and more each day.

Get to know God today. How do you do that? You can get outside and discover Him in His creation. You can dig into His Word by reading perhaps one of the minor prophets in the Old Testament. You can sit before Him in reverential silence as you meditate upon His holiness.

*"Of old hast Thou laid the foundation of the earth: and the heavens are the work of Thy hands."* (Psalm 102:25)

## SCRIPTURE OF THE WEEK-

-Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. (John 14:1-3)

## POINTS TO PONDER-

-Why did the Amish couple get divorced? He was driving her buggy.

-On the first day of school, a first-grader handed his teacher a note from his mother. The note read, "The opinions expressed by this child are not necessarily those of his parents."

-Words that soak into your ears are whispered, not yelled.

-It doesn't take a very big person to carry a grudge.

-Life is not about how fast you run, or how high you jump, but how well you bounce.

-One nice thing about egotists: They don't talk about other people.

-Shipwrecked woman to husband: "I can't believe I'm finally losing weight and the nearest mirror is a thousand miles away!"
