NOTES FROM PASTOR-

The LORD seeks to commune with you in worship. He is not looking for your money, your glory, or your strength. He is looking for your heart. It is in the process of being worshiped that God can communicate His presence to you. If you are not worshipping God, but you are serving Him (or so you think), you are making a big mistake. To pray without worship is mockery. To sing without worship is sounding brass. To work without worship is an insult to God. To teach without worship is ignorance. To serve without worship is hypocrisy. To witness without worship is perjury. The Lord wants you to worship Him.

Do your best to worship in our Praise Fest today! Make a joyful noise, lift up your voice, clap your hands, pat your foot, raise up and worship Him.

Let's have a great day of WORSHIP!!
