CATHY RHODUS.....CHURCH CLERK

ANNA BROWN.....VIDEO MINISTRY

NOTES FROM PASTOR –

The body of any organization has four bones:

1. Wish bones, who spend all their time wishing someone else will do all the work;
2. Jaw Bones, who do all the talking and very little else;
3. Knuckle Bones, who knock everything that everybody else tries to do;
4. Back Bones, who get under the load and do all the work.

-A good time to keep your mouth shut is when you're in deep water.

The road to success is not straight. There is a curve called Failure, a loop called Confusion, speed bumps called Friends, red lights called Enemies, caution lights called Family. You will have flats called Jobs.

But, if you have a spare called Determination, an engine called Perseverance, insurance called Faith, a driver called Jesus, you will make it to a place called Success

POINTS TO PONDER-

- Victory is won not in miles but in inches. Win a little now, hold your ground, and later, win a little more.– *Louis L'Amour*
- Why not go out on a limb? Isn't that where the fruit is?
- It takes a smart spouse to have the last word and not use it.
- A diplomatic husband said to his wife, 'How do you expect me to remember your birthday when you never look any older?'
- Happiness is when what you think, what you say, and what you do are in harmony.–*Mohandas Gandhi*
- Success has many fathers, but failure is often an orphan.
- Don't worship the idolatry of other people's opinions.
- If Satan can't steal your praise, he can't touch your destiny.
- The difference between "involvement" and "commitment" is like an eggs-and-ham breakfast: the chicken was "involved", the pig was "committed".

-Do you get the feeling that kids today are getting a Teflon education? Nothing sticks!
