## POINTS TO PONDER-

-We can't solve problems by using the same kind of thinking we used when we created them.-Albert Einstein

-Did you hear about the lady whose cooking was so bad the flies took up a collection to have a patch put on her screen door?

-Age is an issue of mind over matter. If you don't mind, it doesn't matter

-Some people don't like food going to waist.

-If you are incapable of being righteously angry about evil, you have no moral strength for good.

-You cannot be a champion of truth and compromise with sin.

-The pastor came out with his face bandaged and, before he launched into a lengthy sermon, said: "I must apologize. This morning while I was shaving I was thinking about my sermon and I cut my face." When he was through, a man came over and said: "Listen, next time think about your face and cut the sermon."

-If it is not of faith it is sin!
