## POINTS TO PONDER-

-If you think education is expensive, try ignorance.

-The pessimist is the person who believes things couldn't possibly be worse, to which the optimist replies, "Oh yes they could."

-Be careful of your thoughts; they may become words at any moment.

-Marriage is the mourning after the knot before.

-A gossip is someone with a great sense of rumor.

- On a lonely, moonlit country road a young man's car engine started to cough. Immediately pulling over to a scenic little spot he said to the young lady next to him, "That's funny, I wonder what that knocking noise was?" "I'll tell you one thing for sure," said the girl coolly, "It wasn't opportunity."

-Wal-Mart isn't the only saving place!

-It's hard to stumble when you're down on your knees.

-To belittle is to be little.

-The phrase that is guaranteed to wake up an audience: "And in conclusion."
